GREATER LANSING foodbank GARDEN PROJECT

Garden Leader Support Night

2 Options:

MARCH 24th OR 25th

5:30—7pm

919 Filley St. Lansing, 48906

Network with Fellow Garden Leaders & Prep for the Season Ahead

Ever wonder how other garden leaders handle irrigation, communication, garden signage, plot assignment & all the other issues that arise in a community garden?

Come network with your peers to share best practices & leave with some new inspiration.

This is also a great opportunity to bring along other gardeners who may be interested in helping with garden leadership duties.
